This is a ~FREE~ registry open to all 1969 Chargers, Charger SE's, Charger R/T's & Charger RT/SE's.

Charger 500's and Daytona's are welcome as well!

The purpose of this registry is to document as many 1969 Chargers as possible....living & dead. Feel free to browse the site for exterior color codes, options & model info, as well as some great pics of 1969 Chargers.

Most importantly, please fill out the registration form to get the tally #'s up!

We recently had a "REUNITING" with a Charger R/T as well as a Charger 500 owner and their #'s matching engines!

UPDATE!!!--ANOTHER C500 ENGINE REUNITING 9/09
